

Treatment program house: what we clean

Tour the program with your house manager; mark each room and when crews may enter.

Program _____ Address _____
Walked by _____ Date _____

Resident bedrooms

- ☐ Dressers, desks, headboards and sills dusted and wiped
- ☐ Floor cleaned and trash emptied
- ☐ Personal items worked around, never moved
- ☐ Turnover: closets and drawers wiped out
- ☐ Turnover: vinyl mattress covers and bed frames cleaned
- ☐ Turnover: walls spot-cleaned and floor finished for intake

Bathrooms and shower rooms

- ☐ Every fixture scrubbed
- ☐ Tile walls, shower floors and drains
- ☐ Partitions and mirrors
- ☐ Dispensers topped up

Shared and outdoor spaces

- ☐ Living and TV rooms picked up, dusted and vacuumed
- ☐ Break patios tidied
- ☐ Litter cleared from smoking areas

Group rooms, dining and front office

- ☐ Chairs set back in place after sessions
- ☐ Tables and whiteboards cleaned, wastebaskets emptied
- ☐ Dining tables and counters after meals
- ☐ Microwave, fridge doors and floor under tables
- ☐ Intake desk and lobby: dusted around papers, glass polished

Your protocol

- ☐ Products, frequencies and room order from your policy
- ☐ EPA-registered disinfectants left for label dwell time
- ☐ Terminal cleaning booked after a discharge or illness
- ☐ Records, sign-in sheets and screens never read or handled

Schedule and floors

- ☐ Visits timed around groups, meals, visiting hours, lights-out
- ☐ Knock before entering any occupied room
- ☐ Midday visits while residents are at group, if suited
- ☐ Vinyl halls and dining rooms stripped and refinished
- ☐ Carpeted rooms extracted on a slow program day
